WORK EXPERIENCE

HDFC BANK (REATIL ASSET)

06/10/2022 – 02/07/2023

- Managed retail asset operations at HDFC Bank, ensuring accurate scanning and secure maintenance of consumer identification data in compliance with KYC norms.
- Ensured proper documentation and compliance by handling data entry and maintaining customer ID records, adhering to regulatory and audit requirements.

EVEREST FLEET (RELATIONSHIP MANAGER)

05/08/2023 - 15/01/2025

- Managed corporate client portfolios, overseeing vehicle leasing and fleet management while ensuring service delivery and client satisfaction.
- Prepared reports on fleet utilization, vehicle performance, and customer feedback, while maintaining documentation for compliance and delivering customized solutions to enhance retention.

PROJECTS

The Shree Hotel Feedback Dashboard in Power BI provides insights into customer satisfaction

- Customer Ratings & NPS: Displays average ratings (3.52/5) and Net Promoter Score (6.38), helping evaluate guest loyalty and satisfaction.
- Demographics & Trends: Visualizes guest visit purpose (e.g., Vacation), gender distribution (female-only dataset), and booking source trends, aiding in targeted decision-making.

Blink it Sales Dashboard Project

- Developed an interactive Blink it Sales Dashboard using Power BI to visualize key sales metrics, enabling efficient tracking and decision-making for sales performance.
- Integrated various data sources to provide detailed insights on sales trends, regional performance, and customer behaviour, driving data-driven strategies for business growth.
